

Fraser Court, Paignton

Providing young people with choice and control over their lives

Aim

Our aim at Fraser Court is to provide you with the opportunity to gain valuable life skills that will maximise your independence in order for you to move on to independent living.

Description

Fraser Court provides supported accommodation for young people aged 16 to 24 with identified support needs. You can stay from six months up to two years depending on your needs.

Staff are on site Monday to Friday and overnight at weekends.

At Fraser Court we can offer a safe environment in which you can learn how to maintain your accommodation and maximise your potential for more independent living.
