

Donation information

We are very grateful to the donors in North Devon for the donation of good furniture. Without this generosity, we could not run the Re-use Centre. If you have items you wish to donate, please contact us:

We may ask a few questions over the phone to make sure your donation fits our requirements. In most cases we can collect your donations too.

We can accept:

- Beds
- Storage furniture (i.e. drawers)
- Tables and chairs
- Sofas

We cannot accept:

- Gas items
- Items without fire safety regulation labels
- Baby cots

Occasionally, we may have too much of one item, and will not be able to take your donation.

Do you want to help?

If you like what we do, you could come and join us.

There is plenty for you to do, from repair and restoration, to shifting and lifting.

About Us

The Jigsaw Furniture Project serves many purposes in the community. We are a part of an exempt charity called Westcountry Housing (and were formerly Community Projects North Devon).

1) Vision

- Our project is aimed at everyone and we believe strongly in the rehabilitation of those from marginalised groups

2) Mission

- We provide a variety of working environments
- We provide appropriate individual support

3) Aims

- Offer a variety of opportunities for training and work experiences
- Maximise self worth and confidence through development of life skills and independence
- Remove barriers to inclusion through social interaction
- Supporting clients to develop a sense of purpose

Other benefits from the project

We provide a safe working environment, where clients can come and learn various skills.

We produce many products including bird boxes and picture framing in our carpentry workshop. We also restore and renovate all types of furniture including wax finishes and French polishing.

From our upholstery workshop we can carry out all our customer work to a very high standard.

If you are interested in joining us and receive 'direct payments' or are the carer of someone who receives 'direct payments', please give us a call.

Everyone is welcome at Jigsaw

- Financial benefit for low income families – by providing them with essential household furniture at affordable prices.
- Environmental benefit - we reduce the amount of unwanted but good furniture being tipped into landfill sites.
